- The recital videographer is Jumpstart Video Productions
- Each DVD is \$30.00 or you may purchase 2 for \$50.00 and payment is due to K Studio by Sunday May 20th.
- There are two different styles of videos being shot. One is the **classic cut**, which is a wide angle view of the entire stage. There are no close ups of individual dancers, but it is the best option to view the choreography. The second option is the **assorted cut**, which includes the wide angle view of the entire stage as well as a close up that allows the viewer to see the face of each dancer.
