Dress rehearsal is a mandatory event for all dancers!!! Please note the first time listed, which is your arrival time. It is very important that you be on time, we try to run exactly on schedule. Teachers begin to panic when we have dancers missing from each class and want every dancer to have the opportunity to practice their dance on stage and get their picture taken.

Dancers are to arrive at UAHS in their first costume with the correct tights on, hair in low bun, and makeup on. Remember, no jewelry (stud earrings are ok) and no nail polish. Please carry dance shoes and additional tights in a dance bag and costumes on a hanger. There will be a K Studio desk set up in front of the auditorium doors with staff members ready to help answer any questions you may have, assist you in making last minute ticket or dvd purchases, or show you where to travel to next.

Next...enter the auditorium and find the row labeled with your dancers dance song title on it and help them find a seat. At this time your dancer should put their dance shoes on and wait for their turn to rehearse on stage. When it is your dancers turn on stage, your class's instructor will bring the class on stage. They will practice their entrance, dance, and exit, address any troubles they may have had on stage, and rehearse the dance again.

After the class is finished on stage a K Studio staff member will lead the dancers to the balcony to get their pictures taken. Individual pictures are optional, group pictures are mandatory (even if you are not planning to order photos), we still want the entire class present for the picture. Once the photo session is complete a K Studio staff member will return the dancers back to their row in the auditorium. The dressing room for both dress rehearsal and recital for recreational dancers is the band room, the Company dressing room will be the choir room.

*Reminders -No food or drink is allowed in the auditorium. Video recording & flash photography is allowed during dress rehearsal, but will NOT be permitted during the show! Please be respectful to the other dancers rehearsing on stage by keeping our voices down and not disrupting the events of the day.*
