

Flowers

Giving flowers to the stars of a performance is a wonderful tradition in the dance world. Families may pre order flower bouquets for their dancer up until May 7th. Pre ordered flower bouquets will be available in the auditorium lobby for pick up before the show or at intermission. Flower bouquets will also be available for purchase that day at a first come first serve basis. The flower sale is a fundraiser for our Company dancers trip to LA this summer.

Thank you for your support!

Bouquet options – all bouquets are fresh roses from Blooms Direct with green filler and babys breath, wrapped in colorful tissue paper wrapped with a beautiful bow.

6 rose bouquet - \$10.00

12 rose bouquet - \$20.00

We would love for you to help us show appreciation to the K Studio staff with flowers presented to them during the finale. These bouquets are paid for by the generous donations of K Studio families like you! A donation collection box will be placed at the front desk of the studio for those that would like to contribute to the teacher's flowers.

Cut along the line and return bottom portion to front desk
